## Recycling & Waste Pickup Schedule

Weekly trash pickup will occur on your scheduled pickup day depending on your address and pickup zone. Recyclables will be picked up every other week. Each pickup zone is divided into shaded and unshaded areas which will determine when your recyclables are picked up. Please review the map and schedule to determine which week you should put your recyclables out for pickup. Each single-family residence has two containers, the solid green one is for trash and the green one with the yellow lid is for recyclables.
